EAST CHAPTER AWARDED THE AUGUSTA EXCHANGE CLUB GRANT

On February 25, 2016, the East Chapter Special Projects Committee members were awarded a 2,000.00 grant. This grant will help cover the expenses for students in the High School Job Club in Richmond, Burke and Jefferson counties to attend the High School Job Workshop, Resource Fair and Career Day during the 2015 – 2016 school term. The purpose of the High School Job Club is to prepare juniors and seniors for competitive employment in the community after graduation.

East Chapter Project: March on 4 Veterans

MOSSY CREEK COMMUNITY PROJECT – MARCH ON 4 VETERANS

In March, students at Mossy Creek Elementary School from Kindergarten to 5th grade teamed up with the Local East Chapter Members to collect over 450 toiletry items (toothbrushes, tooth paste, shaving cream, razors, deodorant, comb, brushes, shampoo soap, etc.) for the Wounded Warriors at Georgia War Veterans Nursing Home.

HIGH SCHOOL JOB AND RESOURCE FAIR

On April 14, the East Chapter Special Committee members attended the Richmond County High School Job and Community Resource Fair. This momentous event took place at the Augusta Richmond County Career & Technical Magnet School. Students from eleven schools in the greater Augusta area, including Burke and Jefferson counties, had the chance to visit with a variety of employers and community partners. Some of the vendors included the Job Corp, the Salvation Army, Georgia Regents University, Augusta Technical College, Kenneth Schuler, Georgia Institute for Cosmetology, Walton Options, BioMat, CSRA JATC Electrical Apprenticeship, Gold Mech, Teleperformance, MAU, CSRA Workforce Development, Empire Beauty School, and recruiters from each branch of the Armed Forces. Information was provided to interested juniors and seniors regarding available jobs and academic programs that could prepare them for a successful transition from school to work. Tables were also set up to assist students in completing applications and locating current job leads via popular internet sites. A lunch, featuring tasty barbeque and chicken fingers was also provided. The event was brought to a close with a ceremony of recognition for those students who demonstrated outstanding participation and superior levels of job readiness as the result of their dedication and contribution during the course of the High School Job Club. Individuals who provided support or assisted in the success of the High School Job Club were also celebrated with certificates of appreciation. Most importantly, students with disabilities were equipped with knowledge and discovered potential means for achieving employment using the resources and willing employers in their local community.

BUSINESS BUZZ BREAKFAST

On May 13, the East Chapter Special Projects Committee members attended the Business Buzz Breakfast, held at the Augusta Richmond County Technical Magnet School. This collaborative effort brought workforce professionals in contact with hundreds of ambitious and career-conscious youth, each engaged in a particular vocational pathway, for mock interview training. After some light refreshments, willing employers met with some of the brightest and most creative young thinkers our community has to offer. Students, many of whom were interested in emerging career fields such as engineering, software design, and multimedia productions, presented their resumes and formal calling cards to their interviewers. The students had the opportunity to tell of their passions and outline their strategies needed for vocational training and securing satisfying jobs. Business men and women listened with eager hearts and then provided an honest critique of how each individual could improve their presentation and begin to build a reputation of confidence and professionalism. Each student demonstrated an amazing level of preparedness and creativity as they related their story and told of the careers they so earnestly hoped for and desired to obtain. This event was a great success and served to remind all involved of the power of dreams and importance of meaningful work.

HIGH SCHOOL JOB CLUB AWARDS DAY

Throughout the month of April, the East Chapter Special Projects Committee members attended the High School Job Club Awards Day held at each of the following schools: Burke County High School, Jefferson County High School, Butler High School, Westside High School, The Academy of Richmond County High School, Cross Creek High School, T.W. Josey High School, Glenn Hills High School, Hephzibah High School and Lucy C. Laney High School. The Awards Day ceremonies were held to celebrate the hard work and dedication that the students have demonstrated throughout the year by participating in HSJC classroom discussion, HSJC classroom activities, attending the HSJC Workshop and the Job and Resource Fair. Each student received recognition for completion of the 2015-2016 High School Job Club and a Breakfast Celebration or Pizza Party was held afterwards. Seniors also received the High School Job Club Manual, to use as a guide when seeking employment after high school. All of the students and teachers enjoyed the High School Job Club Awards Day!

HIGH SCHOOL JOB CLUB COMMUNITY SERVICE PROJECT - FAMILY FUN BASKET

Congratulations to Glenn Hills High School in Augusta, winner of the High School Job Club Community Service Project Fundraiser for 2016. Students at Glenn Hills High School collected more donations than any other school in Richmond County. Funds will be used to support the East Chapter in their efforts to continue serving the local community.

On May 20, the Winner of the Family Fun Basket was announced – Mr. Joseph Nero, Teacher/Coach at Butler High School in Richmond County, Georgia.

A huge thank you to all that made donations toward this very worthy cause!

CANDIDATE BIOS

Cheryl Braswell - President-Elect

My name is Cheryl Braswell. I am running for 2017 GRA President Elect. Since joining GRA in 1997, I have been very active in many different ways. I began by producing the GRA Newsletter with 500+ members and this was then done by hand and we finally moved up to having it printed. I have served as Local Chapter President several times, Board Member of GRA, GRA Treasurer, GRA Secretary, numerous committees and on the GRA Finance committee since 2001. I have not served as Vice President but have helped negotiate contracts for the annual training conference for many years. I have worked on the conference committee for as long as I can remember.

I began my rehabilitation career as a rehabilitation assistant with the Valdosta Region Office in 1997. I worked as the RA for the HRD (training coordinator) and Network Specialist until I transferred to the unit in 2003 as a RA. I left Vocational Rehabilitation in October, 2009 to pursue a career in retail management. After many events in my life, I returned to Vocational Rehabilitation in August, 2014. I remained active in GRA even when I was in the private sector. I am currently working as a counselor assistant with Georgia Vocational Rehabilitation Agency in the Tifton Office. VR and GRA have always been my family.

My goals for GRA are to increase special projects by giving back with hands on assistance and financial assistance, have the conference committee have the each one, teach one concept with all committee chairs, and bring back the family aspect of GRA by reaching out to each chapter of GRA and helping them make sure new members feel welcome. I promise to do my best to represent GRA if you put your confidence in me as the 2017 GRA President Elect. I would appreciate your vote!!

Always do your best. What you plant now, you will harvest later.

Jeff Allen - Vice President-Elect

Hello GRA Members, My name is Jeff Allen and I am running for the 2017 GRA Vice President-Elect position. Since joining GRA in 2010, I have had the opportunity to serve GRA in several capacities including: Board Member -At-Large, Secretary of the RWSIR Chapter in 2011, Co-Chair of the Ads & Exhibits Committee for the 2013 Training Conferences, and Co-Chair of the Education and Advocacy Committee for 2015 and 2016.

A little info about me, I received my Master's of Science Degree in Counseling and Psychology with a concentration in Vocational Rehabilitation from Troy University in December of 2010, and I am a Certified Rehabilitation Counselor. I began my career in rehabilitation at Roosevelt Warm Springs Institute for Rehabilitation as a Counseling intern and working Part time as a Social Service Tech in the dormitory. Once I completed my degree at Troy University, I was hired as a CRC in the Gainesville VR office. I served as a Transition Counselor covering Hall County Schools for three years prior to being promoted to the Statewide Coordinator for Transition Services for Vocational Rehabilitation. As of January of this year I was promoted to the role of Career Pathways Specialist under the newly developed Transition Unit. My true passion is serving people with disabilities, but more specifically our transition age youth. I have been working with this population for about 6 years and truly find it rewarding. I am truly honored to have been nominated for this opportunity to serve in this role, and I hope, with your blessings and support, to continue to work with and enhance services for all people with disabilities.

Joya LeNoir - Secretary

My name is Joya LeNoir and I would like to announce my candidacy for GRA Secretary. Although I have only been an active member of NRA/ GRA since 2012, I have wholeheartedly committed myself to GRA's mission to improve the quality of life for individuals with disabilities through education and advocacy. I have served as the GRA Conference Ads & Exhibitor Chair for two years, Board Member At Large and a member of GRA Northeast chapter.

The majority of my career has been dedicated to assisting individuals with disabilities to prepare for, and obtain, meaningful competitive employment. I hold accreditation as Disability Healthcare Professional (DHP) and a Disability Income Associate (DIA). I have been a State employee for approximately 13 years, and for the last eight years I have been employed with Georgia Vocational Rehabilitation Agency. For four years I was the Community Work Incentive Coordinator (CWIC) for Region 1 and Region 2 before I began working as a Rehabilitation Job Readiness Specialist/Counselor Assistant and currently am an Office Assistant in the Gainesville office. I have also worked with T.E.A.M. 26, which is an outreach to assist disabled military veterans in obtaining gainful competitive employment.

I believe in the mission of Georgia Rehabilitation Association and being a member of GRA is like being a part of a big family. A family that is dedicated and passionate about improving the quality of life for individuals with disabilities. Thank you for taking the time to read my bio and I sincerely ask for your support and your vote.

La Detria King - Treasurer-Elect

Janie Fuller

My name is Janie Fuller and I have been a member of GRA since 2003. Since I joined GRA I have held various positions with SERNRA, GRA, ARTS, and am now running for GRA Board Member at Large. Last year I retired from GVRA but have remained active in GRA because I believe in our values and our mission. If elected as a Board Member I will attend all board meetings and be available to answer any questions GRA members may have about our organization. Thank you for allowing me to run for this position and your vote will be greatly appreciated.

Catherine Phillips

Hello, I am Catherine Phillips and I want to serve you as a GRA Board Member at Large. My previous Regional Director insisted that I join NRA/GRA on my first day of employment with Vocational Rehabilitation which was April 2002. Looking back through the years, GRA has served me well. GRA has provided me with needed training, opportunities to network, learning opportunities, and of course CRC credits. Now, it is time for me to serve GRA.

A little bit about my work history, personal life and educational attainments: I began my rehabilitation career as an account representative in Tifton, Georgia. For those of you that do not recognize the job title of account representative, it is the current position called Employment Consultants. Before that, I worked as a contracted employee for the WIA program. In 2009, while employed as an account representative, I saw the need for Certified Rehabilitation Counselors. Now, I serve as a CRC in the Tifton office.

I am the proud parent of six dogs, all strays and rescues, and too many fish to count. Hobbies consist of riding my Harley (during good weather), reading (mostly health and finance related articles) gardening and never ending yard work.

My first experience with post secondary training was when I attended East Central Technical School in Fitzgerald, and obtained a Secretarial certificate. Yes, this was a long time ago; we were taught short hand. My Associates degree in Business Administration is from Abraham Baldwin Agricultural College in Tifton. My Bachelors degree in Business is from Georgia Southwestern State University in Americus. My Masters degree in Rehabilitation Counseling is from the University of Kentucky (United we stand – Divided we fall). I obtained my Certification as a Rehabilitation Counselor (CRC) in March 2010 before I had graduated from the UK program, and I am currently employed as a Certified Rehabilitation Counselor in Tifton. I want to serve you as Board Member at Large but I need your vote.

Please vote for me, Catherine Phillips, for Board Member at Large. Thank you for your consideration.

“All men are equal before fish” ~ Herbert Hoover
